SHALOM FROM ISRAEL!

Dear Friend,

It may be hard to believe, but 99% of the people living in Israel—the country through which God revealed Himself and gave us His Son—don't know Yeshua (Jesus) as their Messiah.

Yet today, a miracle is taking place right before our very eyes.

Not only are we seeing the physical restoration of Israel after a 2,000-year exile, but Jewish people are returning to their God and accepting the Messiah in numbers not seen since the early church! Many Arab people are also coming to the Lord, and many Arab believers are finding a deep unity with their Jewish brothers and sisters.

You and I have been called to do ministry within this miracle. Which is why I'm so pleased to put this important resource in your hands today.

I hope God uses what you'll experience inside these pages to show you the many ways He is using you and One For Israel to awaken

Israel to the hope of Yeshua... and that you'll be inspired to pray and partner with us in a deeper way.

Yeshua declared in John 7:37-38 when He stood up at the Feast of Tabernacles...

"If anyone is thirsty, let him come to me and drink. Whoever believes in me, as the Scripture has said, streams of living water will flow from within him."

The people in Israel are thirsty, and God has tasked us with the mission of pointing them to the Living Water and awakening His hope.

What a privilege it is to share this mission with you!

Sincerely in Messiah Jesus,

Dr. Erez Soref
President & CEO

JEWISH EVANGELISM

The best way to bless Israel is with Jesus, and that starts with reaching our Jewish brothers and sisters with the Gospel!

One For Israel's various Jewish media evangelism outlets and initiatives are key in awakening the hope of Yeshua in Israel. And today, many Israelis are recognizing that He is the ONE of whom Moses and the prophets wrote.

“I’d never been the crying type—not about life in general, and certainly not about God. Over time my heart hardened to him, and I said to myself, ‘Yosef, what do you care? You’ll probably go to hell no matter what you do.’ This was my mindset when I first stumbled across your videos. I felt nothing special, nothing miraculous... until I watched a movie on your site about Yeshua. Then it happened. I started to cry. I suddenly got it.

I understood who Yeshua was and what He had done for me! Thank you for inviting me into His family through your videos. Through you, He’s given my life a whole new start.”

ARABIC OUTREACH

Your support is being used to show God's love to our Arab neighbors. Each day from our studio in the heart of Israel, we produce cutting-edge online content to awaken the Arabic-speaking world with the hope of Jesus.

Through the evangelistic websites, Arabic social media pages, and ever-expanding list of evangelistic videos you're helping make possible, we're tearing down generations of lies and replacing them with the truth of who Jesus is.

“I knew I was signing my own death warrant. Deciding to leave Islam meant certain death, in my mind. That, or rejection and persecution. Yet the life I'd been living was no life at all. More like a living death, you might call it. Then one day I came across your Arabic videos on YouTube. I'd never seen anything like them before! They talked about Yeshua and the new life I could have in Him. Oh how desperate I was to know a living God! That's when I made the decision to leave Islam and follow Yeshua—and I've never looked back.”

WAR RELIEF

In the midst of this darkness, God has used One For Israel to share the Good News and shine His light—thanks to the support and prayers of friends like you.

On October 7, Hamas terrorists brutally attacked and massacred over 1,400 innocent Israeli men, women, and children, and they violently kidnapped over 200 people, having since murdered more than 40 of them. The terrorists' actions also ignited a horrific flame of anti-semitism around the world that has only grown stronger.

Yes, October 7 was a tragedy beyond measure, and the wounds on the heart and soul of our nation are deep. Yet in the midst of this darkness, God has used One For Israel to share the Good News and shine His light—thanks to friends like you.

“Thank you for the special outdoor heaters you provided us. We started using them right away since the nights are becoming very cold.”

— WAR RELIEF RECIPIENT

Through your support, One For Israel was able to mobilize quickly after the war started, with two separate “war rooms” in strategic locations in the country.

From there, we were able to send aid and care packages throughout Israel.

“We thank you for your special and immediate aid to help Holocaust survivors and elderly maintain their daily routine. With your help we were able to provide in love thousands of hot food packages to Holocaust survivors and elderly who needed it very much. You are true angels.”

JEWISH & ARAB RECONCILIATION

The tension between Jew and Arab is real, differences are vast, and memories are long. Through your support, however, you're nurturing an environment for Jews and Arabs to focus on what they share in common through Jesus. By coming together on our campus, and then taking that experience back to their churches and communities, miracles of peace are occurring between Jewish and Arab believers!

“Jew and Arab pastors, together in one room, learning from one another? It’ll never happen... or so I thought. Before the class for senior pastors started, I had so many questions as an Arab: ‘Who are these people? How do Jews even pray? Do they really believe in Jesus? Will they even accept me as a pastor? The tension is too high. How will we find any unity, even to study God’s Word?’ These men were like new creatures to me! But within a day of being in class together, we were all the same. The teachers even had a problem calming us down and getting us to be serious! We simply enjoyed sharing jokes—holy jokes, of course! These men are now my brothers.”

Across the Middle East, the new “town square” is online.

It is here on the digital frontier that our Arab and Jewish team shares Jesus in places we otherwise would never be able to go.

ONE FOR ISRAEL BIBLE COLLEGE

The One For Israel Bible College is the only accredited evangelical Hebrew-speaking seminary in the world. And through your support, you're a part of training, equipping, and spiritually nourishing new believers and pastors alike in this academically rigorous environment.

While the One For Israel Bible College was specifically created to serve the needs of the Israeli Messianic Jewish community, today about 30% of our student body consists of Arab believers in Jesus!

“Eli, I don't believe anymore.' His words shook me, turning my 13-year-old world upside down in a matter of seconds. My spiritual mentor had become an atheist, and he proceeded to lay out the many reasons he didn't believe in God. I didn't have a ready answer, so I resolved to find the truth... eventually discovering my life's calling was to be one who contends for the faith. But who would train me to be an apologist for Yeshua in Israel? After I finished high school and completed my army service, God opened the door for me to study at the One For Israel Bible College, and the results have been transformative. Ten years ago, I was shaken by my spiritual mentor's turn to atheism. But now I am the spiritual mentor, and I'm leading others to Christ!”

— ELI

The majority of Israel's senior Jewish and Arab pastors have graduated from the One For Israel Bible College.

SOLDIER & YOUNG ADULT OUTREACH

Israel's Messianic Jewish community is young. Like modern Israel, you could say it was also founded in 1948. This is why One For Israel is passionate about reaching the younger generations with the hope of Yeshua.

We do this first through our soldiers' ministry, as most Israelis have to do 2-3 years of army service in the Israeli Defense Forces (IDF) after high school. Second, we provide informal biblical training and theological education through national young adults events and conferences.

“Everyone thought I was on the right track. I have a good family, I grew up in the church, I was one of those kids that parents would point to and say, ‘Look at how he follows God, be like him!’ But when I entered the army, the stresses, pressures, and fear were so strong I reached a point of crisis and walked away from the Lord. It was then that He opened a door for me to attend One For Israel’s conference for Messianic soldiers. There He set up a divine appointment for me with my friend ‘Michael,’ who heard my story and encouraged me in the Lord. Michael prayed for me, soldier to soldier, and confirmed what the Lord had been saying to me, that He wanted me back as His son. I thank the Lord for Michael and for using the conference to bring me back to Him.”

— IDF SOLDIER

Up to 40% of Messianic Jews leave the faith during their military service.

But God is using One For Israel as a lifeline to soldiers, and now more young people are leaving the service as warriors of the faith!

WOMEN'S LEADERSHIP PROGRAMS

Your support is fueling our groundbreaking Women in Leadership program, which challenges female students at the One For Israel Bible College to cultivate teams of women who are prayerfully focused on evangelizing, discipling, and counseling others.

The goal is a movement of women grounded in biblical truth who are affirmed in their identities, strengthened in their callings, and equipped to lead lives of ministry so they can be part of awakening the hope of Yeshua.

“I'd never been as angry. To see the police take the men in our Arab village away after the missiles from Gaza fell on Israel was so upsetting! Then the prayers began coming through texts from my One For Israel Women's Program group. In that moment of frustration I was reminded of the love, unity, and oneness we share. They might be Jews and I might be Arab, but we're one in Christ and I've learned that we can trust one another. Now I've begun to pray for both sides of this conflict with a new perspective. Not only that, I'm a different mother to my children, who are seeing the unity... and I'm a better leader of other women in my church because my faith is deeper.”

—ZARA

The growing church in Israel is largely composed of women, and yet they have been underserved without mentors, formal training in ministry, and programs for their unique needs. **One For Israel** seeks to change that in partnership with friends like you!

ONLINE DISCIPLESHIP

God is using the support of friends like you to reach millions in Israel with the Gospel every year, so we must bridge the gap between our outreach and personal discipleship. Our series of 26 foundational online lessons gives seekers and new believers a strong start!

These videos help them explore who Yeshua is and what it means to follow Him, and they help new believers understand the importance of connecting with a community of faith.

“‘Breathe, Yael, breathe.’ Out of nowhere the anxiety would hit me. Anxiety, fear, and depression were regular and unwelcome companions growing up, and I couldn’t shake them no matter how hard I tried. After a long spiritual journey I came to believe in Yeshua, and got in touch with One For Israel after seeing your videos. That’s when everything began to change. Your team connected me with a believer to answer my questions and share with me what it means to follow Yeshua. I grew in my faith, and saw modeled for the first time a spiritual community that respected me as a woman, and treated me with equality. But that’s not the best part. Remember my unwelcome companions, anxiety, fear, and depression? Today, these companions have been replaced by my new friend, Yeshua. In Him I not only found the answers to my questions, but also my rest.”

— Yael

Over 90% of Israelis are internet users, and 78.1% of the population uses social media every day*. This makes Israel ripe for online evangelism!

HUMANITARIAN AID

When you give to One For Israel, your support brings hope and encouragement to Israel's most vulnerable communities: those in need of humanitarian aid, vulnerable families, women facing an unplanned pregnancy, and Holocaust survivors.

Through you, the Body of Messiah is empowered and resourced to bless those in Israel who need it most.

“One street corner in Netanya. That’s the only place I could remember from Israel when I’d been here as a child. So it was the only place I could tell the cab driver to take me after I had fled from Russia to escape my abusive boyfriend. So there I was, alone on that same street corner at 3am with a small baby, but God had his hand on me. He led me to One For Israel. You gave me a safe place to raise my family. Each month you bring food, and offer me friendship and protection. You are like angels to us.”

— ALAYNA

Over half of Israelis profess to be atheists, and everyone has free access to health care. As a result, over 40,000 Israeli babies are aborted every year*. Through your ongoing support, you can help share the love of Jesus and preserve life in Israel.
